\$175,000 WORTH OF MEN'S, BOYS', MAIL and WINTER CLOTHING

## Now Ready

Bought largely before the advance of Woolens. We go to headquarters to do our buying and are identified with the best makers of Clothing in the United States. We bought Woolens at half the present prices because we took a chance when prices were uncertain and the market a little shaky, and have the goods now ready in stock marked for sale at much less money than other clothiers can buy them.
